

Admission Criteria

Students will be admitted to the A.E.I. if they meet the following criteria:

Required:

- Age 2 – 8 years at the time of admissions
- Primary diagnosis/assessment of autism, PDD, ADD, ADHD or other communication and/or behavioral difficulties
- Parents physically reside in the Kingdom of Bahrain.

Parents Must

- Provide program consistency at home.
 - Ensure consistent attendance over school year.
 - Participate in training courses on meeting their child's specialized educational needs.
 - Make a realistic choice as to the potential benefits of this program for their child.
 - Parents agree to actively participate in constructive fundraising and report monthly on these activities.
1. The first part of the admissions process will be parent/guardian attendance at scheduled orientation meetings to ensure all parties will be fully informed as to the nature and scope of the school, its curriculum and methodology, before making a final decision to attend.
 2. The center will commit to providing an exemplary research-based educational program tailored to the strengths and deficits of children with autism and other behavioral and communication difficulties.
 3. Parents/guardians will sign the admissions criteria rules committing themselves to be involved in their child's education by, among other things, having their children arrive to school on time and ready to learn, volunteering at the school, etc.

I confirm that the above is true and I Understand the terms and conditions fully.
